Happy Spring from all of us at Bulk Food Superstore! Winter (such as it is, in Florida) is over and Spring has sprung. Warmer temperatures are on the way, and that means some of us will be spending more time outside. Others may be starting to hide from the heat and look for ways to keep cool. We can help with both of those things.

For those of you who are happy to see the weather warming up and are looking forward to spending some quality time outside, have you checked out our natural sun-care products from Kiss My Face? We have something for everyone from SPF 15 Dry Oil for people who want to get a tan, to SPF 50 in Sport Formula, Kids Formula and in a tear-free baby formula. We also carry aloe, so when you do get too much sun you can soothe your skin. Or you can head over to our [Pinterest](#) page and take a look at some of the DIY soothing lotions you can make with coconut oil and essential oils.

And don't forget skin care. All of that sun can wreak havoc on your face. Make sure you are using a good skin care regimen like our Anne Marie Borlind line, or our new line of spa-quality natural products from Whish Beauty. Not only are they made in the USA, they use naturally sourced and organic ingredients. They are sulphate free, petrochemical free, paraben free and cruelty free, so not only will they keep your skin looking healthy, you can feel good about using them.

While you're outside enjoying the warmer weather, you may have noticed an increase in mosquitoes. If the mosquitoes are driving you crazy, try some of our Bug Soothe mosquito repellent. It's deet-free, all natural and safe for people and pets. Did we mention it smells really yummy too? Or if you'd rather make your own all-natural mosquito repellent, we've got the essential oils you need. Click over to our [Pinterest](#) page and check out some great recipes for making your own Mosquito repellent.

If you're trying to stay cool and beat the heat don't forget to stop by our freezer section to pick up some delicious So Fruitty Frozen Bars in Avocado and Super-Rich Cacao.
